I will always hold a warm spot in my heart for my Aunt Alice. She was an impeccable lady who always had a gleam in her eye. She would welcome you with open arms and was always wanting to feed all who came to visit. I will hold many great memories of Thanksgivings at her home with family and friends. Nancy - please know that I loved your mother very much and that my Nancy, Alex and Angelica all share in my love for her and you. We love you and are with you from across the miles in love and prayer during this difficult time. Love, Louis, Nancy, Alex and Angelica
