Tony and family, Mike and I are very sorry for your loss. Heaven has gained an amazing angel. I have so many fond memories. I was in your first Redken Specialist class during a hurricane and you and I were one of the few that showed up! After an hour, you sent everyone that did show up home to be with their families. You always put everyone before you and I will cherish the first time we met and all the laughs we had through the years! (There were many!!!) You will be missed more than you will ever know. Thoughts and Prayers, Mike and Laura Peters
