Dear Mommo,Years have so very quickly passed, but we miss you dearly every single day. We miss going to see you, and having you stay with us, Especially during the holidays. Cindy and I are eternally grateful to you for all the wonderful time you spent with the kids, who are all grown now, and how you helped shape their growth from such a young age. We know you were their at both of their graduation ceremonies in 2021, as we could feel your presence, and we know how very proud you are of them, as are we. Thank you for being the one and only wonderful person you are, I am so lucky to have had such a caring wonderful mother in law.All our loveMark & Cindy

Mommo, Again. I am now used to keeping this tradition of writing on here alive. I miss you more than words can explain. As i grow older, I wish so much you could be here to see my maturing into a young lady. There have been and going to be so many things I wish you could be present for, but I know your here. I frequently and at random smell your scent, and I have to believe it's you. I love you, and I hope your at peace now. I'll see you again, one day.-Miranda Claire

Mommo,Its been about 3 years now. And I miss you more than ever. Everytime I go by the apartments, I can still see you cradling your arms and rocking back and forth. On your last birthday, I had the idea to put notes on a balloon and fly it to heaven, I know Express Mail to the sky isnt as fast as air travel.. I can only imagine what heaven must be like, I hope there are alot of stores for you, if not, you must be going crazy!.. I miss you mommo, I still havent seen you in my dreams, but I havent lost hope, and i never will. Ive bee praying for a miracle involving you, and praying is something i never do. I hope to see you someday soon. I want to thank you for everything you have done to me and for me, And I know that a simple thank you ist enough. But The love I have for you should overpower all words.I love you-Miranda Claire

Mommo,I dont really know what to say, because only in a prayer would you be able to hear me. I cant put in the slightest words how much i miss you.. Your hugs enclosed my heart. And now.. its open, and not in the best of ways. nothing has been the same without you, but i can see how angels in heaven would say the same. i hope when you greet me at the gates of heaven, you'll look as beautiful as i remember. Give nana and papa and grandpa joe a hug and kiss, and think of me.The love in my heart belongs to you, visit me in my dreams-Miranda clair

Mom, It has taken me so long to except that you are no longer with us. I miss you so very much. I think about you everyday. Not a day goes by that I do not speak to you. I wish you were here. I know you were not ready to go nor was I ready to let you go. But I know you are in a better place and you have found peace. Mom, I see you in my children everyday. You have passed along little pieces of your being to them. I so thank you for that. You were the most giving grandmother and I know my children will never, ever forget you. You have left an inprint on their hearts. I love you so very much and will see you again one day. Thank you mom for always being there for me, I was so blessed to have YOU as my mom. I love you, Cin
