Tony, My deepest condolences to you and the family. I am so sad to hear that Marta has left us. She was always such an amazing, beautiful woman who loved her family so much. Growing up, I felt as though she was my second mother. I was at your house more than my own. I hope you take comfort knowing that she is in the arms of God and I know she will be watching over all of you. I will keep her and the whole family in my prayers. I love and miss you all.
