Dear Julio, Lucy and Michael, Very sorry to learn of Sue's passing. She was a good person and I really enjoyed knowing her. We worked together side-by-side at MarineBank in downtown Tampa in the Travel Dept. She was instrumental in having me transferred to work with her. We had some good times - laughs and tears sharing our day. While my family lived in Orlando she visited and then we visited upon our return home to Tampa...but sadly we lost touch over the last years. Our paths crossed one last time at the Feast of St. Joseph a couple of years ago and it was great chatting together. May Sue rest in peace in heaven. May God's blessings be with each of you and your families.

Over the years I have been called the best DP in the county but I have always said no I was trained by the best!!! She was such a pleasure to work with had a heart of gold I know she will be greatly missed, but remember she is in a much better place !!! God Bless Jamie Scoggins

Lucy, I did not know your mother but I have become friends with you. I believe that in your years, you have become your mother and that is a testimony of how I think she was: a kind and generous woman. May you endeavor to stay the same or you know that a mother will turn over in her grave when her child misbehaves. I hope you will always be like your mother.
