To Those I Love And Those Who Love Me
When I am gone, release me, let me go. I have so many things to see and do. You mustn't tie yourself to me with tears, Be happy that we had so many years. I gave you my love and you can only guess, How much you gave me in happiness. I thank you for the love you each have shown, But now it's time I traveled on alone. So grieve awhile for me, if grieve you must Then let your grief be comforted by trust. It's only for awhile that we must part So bless the memories within your heart. I won't be far away, for life goes on, So, if you need me, call and I will come. Though you can't see or touch me, I'll be near, And if you listen with your heart, You'll hear all my love around you soft and clear. And then, when you must come this way alone, I'll greet you with a smile and say, "Welcome Home." We love you dearly and miss you so much! You will always be remembered never forgotten! Cherish the people you have in your life & we will soon meet again.. I love you!!!!

Adam will never be forgotten! I didn't know him to well, but I know he worked at the barbershop right next to my job (allstate) and we would sit outside and chat about his life and mine occasionally. He was the sweetest person and could tell he had such a sweet heart. I will definitely miss him so much!
