Ruth, aka Mrs. Angert, was so very kind to me during my comparatively short tenure at Gaither. She always made me feel especially welcome. She was very generous with her wisdom and perspective on teaching, students, and life. I treasure her memory. My heartfelt condolences to her husband, her family, her sisters, her friends, on the loss of this dear soul. We are all the better for having had her in our lives.

I only got to know Ruthie over the past two years, and within the short time, she had an impact on my life. It began with our love of cats and our shared sentiments of home and family. Along the way, I have had the opportunity to meet people who have also had an impact because of Ruth. From students who became teachers because of her to those who shared a classroom with her, Ruthie was a beaming light. She was always able to put a smile on your face because she was so genuine. She listened to varying points of view and was eager to understand diversity. Ruthie, you'll always have a place in my heart; You made a life-long impact and I believe that's how we can honor you: Spread kindness, share wisdom - Live, laugh, love.

So sorry for your tremendous loss. I was friends with Ruthie at HHS. She was a doll then and for the few times our paths crossed over the years, she was just as sweet. God bless your family.

I am so glad that I was able to know her. What amazes me is how fantastic I thought she was and I only got a brief preview into her life. Over 30 years of teaching and countless students. I just think of how she impacted their lives and how those students then went on to impact others. I will carry her message of love and respect when I become a teacher and she will live on in the lives of others. I just hope that I can do her legacy justice. My prayers are with her family and friends during this difficult time.

I remember Ms. Angert as one of the coolest teachers I had. She made me much more interested in history than I was before and her influence carried forward as I earned degrees in literature with an emphasis in non-fiction prose (sort of a literary historian, I guess). My prayers are with her family and loved ones.

I am so shocked and saddened hearing about Ruthie's recent passing. We go back all the way to BC Graham grammar school, and had so much fun together. Web lost touch in Jr. high, she went to Memorial and me Washington, but connected at HHS. Then lost touch for so long until Facebook. I am so glad we were able to reconnect, she was a jewel of a person, and even it was a long time in between, she never changed. Still sweet as ever. I will miss talking to her, and I am so glad I ran into her recently. That same sweet smile. My heart goes out to her husband and family and all that knew her. Much love, Kathy Futz Suarez

Dear Bob and Ruthie's entire family. I was so shocked and saddened by Ruthie's sudden passing. I have known her for so long, and we have had so many friends in common. This school year, we reconnected in the Empowering Effective Teacher Program, and I enjoyed catching up with her. She was so positive and encouraging, and her smile was a constant. I will always remember her as a sweet, kind-hearted, happy person who never seemed to have negative thing to say about anyone. There is no question that she made a difference in the lives of so many students in her career. May she rest in peace, and may God grant her family peace and comfort in knowing how much she was loved by so many. With much sympathy, Sylvia Albritton
