Paula M Cenkovich posted:

Happy Birthday son! You will never know how much duct tape I have put around my heart because of how broken it has been since you have been gone. The tears I have shed because of how much I love and miss you. I will see you again one day but in the meantime I will make sure you are never forgotten. Mama is almost a doctor and I will open up Eric's House of Healing in your name. I love you!!!
