Murphy, Thank you for always making me smile. I know everyone is saddened by the loss that is felt, but will take comfort in knowing that you are happy and in a better place. I'm so thankful that I was able to see you again one last time and, as always, you had something to say, a joke to crack, to make me laugh. I am grateful to have that memory of you, and so happy to have known you. You were a good, kind man and will surely be missed. To Beth, Heather, Tisha, Nana, Josue and the boys, all of you, and Murphy are like family to me and I love you all. I'm always here for you, always. Love, Mareesa

Dear PawPaw, you were a great grandpa and daddy. We all miss you very much, everything seems so different without you here but it's always reassuring to know you're happy now, no pain anymore. I miss you a lot too, lately I've been thinking about the memories of you, me, and Kayleana together. We would go to the movies all the time and you'd bring us to Busch Gardens everyday! You were our bestfriend and grandpa at the same time. I know you're reading all of these down this page and wishing you could be here but don't worry, we'll all be there soon with you and everything will be perfect again

Murphy: I never thank you for being such a great grandpa to Krystal, a friend to my son, for being there for the boys and all of us with your comments about whatever, or just plain making fun of any of us. All the time shared with you was always fun and relaxed. It was a real honor to meet the man, father, grandpa and friend that you are. I will forever remember you as one of the kind.

Murph, you are already missed!!! I know where you now is a fantastic place, and we will see you soon and all be together again. Until then I will remember all my times spent at the house. You always gave a "hard time" =) just the way you would Tisha, that's how I knew I was welcome and it made me feel at home. It made me feel like part of the family. Beth, Heather, Tisha, Kayleana, I love you all very much. After knowing someone for 23 years, you become close to their entire family that I consider you all my other family. I am ever so sorry for your loss and only wish I could be there to hug you all and share your tears. I am here for you all, and always will be. Xoxoxo

What I remember most about Murphy is that you could not mention a thing you might want or need like a cold drink from the mini mart because before you knew it he was there handing it to you. He cared about everyone and loved Beth and Tisha Heather and was so happy with them. God Bless you and peace be with you. Praying for his families in Tampa.
