Its been 12 years since you have passed and still miss you so much. I am now with our son ,Christy and two beautiful grandchildren. I know you always wanted me to be with our family, so we can take care of each other. And that's just what we are doing. You would be so proud of our grandchildren. Keelie went to school to be esthetician and she is real good with her hands. Carl at the age of 21 is a manager at a nutrishop shop. and doing body building. They are both are so loveble.Just wish you were here to enjoy them with us. love and miss you.. until we are together again love and miss you!j

I am sorry to read of Gene's passing. I have childhood memories of running around your house when I was young with Gino. My father, Nelson(Dick) worked with Star @ Tropical and I would come out to the house after my horse Babe came to stay with you all.
