I met Dana when we were 11 years old in fifth grade at WHBS. Our grandmothers knew each other, too. We had lost touch since we were in our early twenties. I am so shocked to hear this news. My love and prayers are with her family at this time.

First of all my condolences to Dana's parents, grandparents, and son. Dana and I go back several years, and we have many good memories. Dana was kind hearted, simple, and most of the time made herself available to friends. Dana always bent backwards to help me out and I will miss her very much. Dana and I have grown apart, but we somehow always managed to catch up with each other. She was a good friend and loved her son dearly. She always worried about what the future would bring him. Dana we all love you and will miss you dearly. You will never be forgotten.

Dana and I have been friends since the 4th grade. She was more than a friend - she was my sister. There are too many memories to list on here - the majority of middle school, high school and early 20s memories were shared with her...God bless her and her family...She was taken way too soon!
