Yvonne, I am so sorry to hear that your mom has passed. Your mother and mine were life-long friends with a wonderful bond that never wavered nor lessened with time or circumstance. Some of my fondest childhood memories are of the times your mother spent with my mother and our family. Being with her guaranteed I never knew what she was going to come up with but knew it was going to be fun. She laughed often and made me laugh too, and she also touched me with her kindness and generosity. Your mom had a heart that was bigger than life and I loved her along with everyone who who knew her. My condolences and sympathy are with you now.
