Pete and family, Dawn and Marc - thinking of you during this time. All of my memories of Donna Jean are ones of her smiling - from the time we were kids playing in Hansford to the last time I saw her at the family reunion. I will always remember her and Lucy being the judges for the neighborhood races when we were kids. Of course, Pete, Jay, myself (or one of the other cousins) usually were the winners! (did I mention that they were impartial judges?) Your family always made me feel welcome whenever I came to visit. Donna Jean will certainly be missed by all who knew her.

I thought Uncle Kayro's kids Donna and Pete were the luckiest kids in the world. They lived in the sunny state of Florida. I remember going to Aunt Freda's and Uncle Kayro's house and then going off to the beach. This picture of Donna is exactly how she looked; Very pretty. I am very sad to hear that one of our cousins has been taken at such a young age. The best to you Pete as you hold the family together. Cousin, Lorrie

Although I was not related to Donna, we shared an aunt and uncle, as my mom's sister married her father's brother. I always enjoyed "Karo's" family members and all the Billo cousins. I extend my sympathies, and I will be praying for the repose of her soul and the well-being of her family.

Pete and Donna, I will always remember you playing with my kids (Cynthia and Kathy) one day a week and spending time with your mother. The world has been a better place because you have been here. Love, Aunt Billie
