My sincere condolences to the family. Lenora and Tom lived on Coral Street for many years and I lived across the street. My parents were Manuel and Gloria Perez. This was always such a great family to have as neighbors. Even when they moved their home was still in the family with Estella. It was my mother who saved Suzette's life when she started choking when she was a little girl. That memory has always stayed with me. Your mom is now at peace and is with your dad. God Bless you all during this difficult time.
