Sitting in a Wells Fargo here in Tampa and, just learning of Lisa's passing...so, so sad to hear... What a wonderful person Lisa was - always caring for those around her before herself...Lisa always had a kind word to say about everyone... Harvey, remembering the look on Lisa's face whenever she spoke of you - always knew you were something special to her... Lisa's family was her world....the best at making sure her parents were well taken care of....as well as Kelley... May you know that there is an angel above that will never leave your side... Sincere condolences...
