I love and miss you Raymond,with all my heart and soul..Dad and I will be coming to your final resting place today,to bring you flowers ...I just hate when I have to leave ...I know that you are always with me,because you own a huge chunk of my heart.I just want to hold you forever,and be able to talk to you again,and hear your beautiful laugh again..I miss that,,,I talk to you all the time,but its hurts because I never get your funny opinions,or serious concern..But I hope you hear everything I talk to you about,mostley that I am sorry,and I love you so much....Gina

Raymond my love,It has already been a year.I am sitting here thinking if only I could go back to a year ago today,and just watch over you,Then maybe I wouldnt be feeling the pain I am feeling right now.It has been a year,but the pain is as fresh as it was the moment I heard We had lost you....I will never stop loving you ,or missing you Ray.Sometimes I will hear a song that reminds me of you,or think of something we did as children,and I will cry,but yet smile because I was so lucky to have you in my life,even if it wasnt long enough.For all the good times,and the bad ones, when we fought like all siblings do,I hope you know that YOU are a big part of my heart and soul..and for that reason,you are always with me..I love you....Your Sister..Gina

My sweet baby brother,I remember when mom and dad brought you home from the hospital when you were born,I was so happy,I never played with my dolls anymore because I had a real baby to pretend with I was 4years old. they put your crib in my room next to my bed.with instructions to come tell them if you cried. during the night. I ran to get mom at least once a night..We we close,but like most siblings we fought..but we always made up and you always had my back.we did so many things togetherI couldnt list them all,we were more than siblings..we were freinds...I hope you know that I love you and lwill cherish those bittersweet memories..I will miss you so much Ray...My heart aches so bad that I cant talk to you anymore,the only thing that consoles me now is that when I pass I will be with you again,,,I know you will be the with open arms and a huge hug...So until then..Know that I love you with all my heart and soul...your sister..Gina
