Wish Heaven had a phone so I could hear your voice again. I thought of you today, but that is nothing new. I thought about you yesterday, and days before that too. I think of you in silence, I often speak your name. All I have are memories and a picture in a frame. Your memory is a keepsake, from which I'll never part..... Goddess has you in her arms, I have you in my heart! Repost if you have someone in

I also have good memories of Helen. I attended her wedding, saw her house being built, and held her first baby. Just as Homer was a big loss for our family here on earth, so will Helen be also. We do have the assurance that one day we will all be united in one big family with God. Thoughts and prayers are with you. Jennie God.
