I have many memories with Omar. I can tell you he was never violent and I have known him since 1997. I can remember one weekend I was sick and lived in Clearwater and he came over made me soup and took care of me. That was the kind of friend Omar was...he stayed with me all weekend and took care of me. I haven't seen him for about 1 1/2 yrs it was easier on his marriage that way for some reason. I love you Omar and will see you again one day my friend. Luv,Trish
