To Marietta's children....I have so many warm and wonderful memories of being friends with your Mom for 32 years. A few are sad and a great many are happy and some are outrageous! There was never any time I spent with her that I didn't feel her love. She has taken a part of me with her.

Dear Michael and Donna, Sorry to hear of your Mother's passing. While we have spent little time together in the recent past....I do recall many warm gatherings of family, including your father Mike, many year ago.
