Evelyn, May your sweet soul rest in peace and may you find the glorious gates of heaven wide open. I have often remembered you throughout the years and glad we spoke recent if only briefly on Aug 31, 2012. You are with your grandson and your legacy lives on in his children - your great-grands. Karmen, Kamille and Kassidy Pullara have a very strong family resemblance. I will never forget your soft side and touching hand the morning I was in labor with your grandson Thomas. You embraced goodness and had a forgiving grace. God Bless you. God be with you always, Love Doris & family (formerly Fuente, then Pullara)
