Dear Queirolo Family: I worked with Bob in HR from 1989 until he retired. He was one of the brightest men in the district, and it was a pleasure and an education to watch him in action. As an Employee Relations guru, he once stated in my presence that "a union contract is a monument to the mistakes of management." As you can see, I still remember that. As bright as he was, he could not find his way out of a paper bag. The only person I know that is as directionally challenged as Bob was is my one of my sons! He spoke lovingly of his family so often, and his love of Mary Ann was obvious to all. It was a pleasure to know Bob. God bless you all.

Dear Queirolo Family, I worked in Hillsborough's HR Department from 1997-1999 in an office next to your father. I have very fond memories of your Dad. He was such a kind and sincere man who truly cared about people. His face always lit up when he talked about his family. I will pray that God eases your pain at this time. I know that you will take comfort in knowing that he has been reunited with your mother in heaven. It was obvious when he talked about her how much he loved her. Joy Przywara Salerno

I worked for Mr. Queirolo in the guidance office at Plant during the 65-66 school year. The next year he promoted to dean. He was a wonderful gentleman to work for and with in the guidance office and was a very kind and understanding dean. My deepest sympathy to his family and friends.
