Mis Primas, you know we all miss her and wish we could keep her forever. But in a way we are already holding on -- in our memories and in our hearts. It was good to see you again but a shame my Dad and I are missing the delayed ceremonies. But that's okay, God is taking care of her now, and I'm sure she's making him laugh! Taticas You know your mother was loved very much by many and I am one of those lucky people. I am sorry I was not able to be there with you today and it's too late to send flowers now. I am offering a mass in her name and another one on her favorite saint's day, St. Teresa. My love and prayers are with you all. Besos a todos ustedes y tambien para Cora. Carinos, Alicita
