RIP Jerry. You will be greatly missed. Your comical and witty personality never went unnoticed. Fay, we are so sorry for your loss. If there is anything we can do for you, please do not hesitate. We love you very much and will continue to be here whenever you need us. Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer.

Life will break you. Nobody can protect you from that, and living alone won't either, for solitude will also break you with its yearning. You have to love. You have to feel. It is the reason you are here on earth. You are here to risk your heart. You are here to be swallowed up. And when it happens that you are broken, or betrayed, or left, or hurt, or death brushes near, let yourself sit by an apple tree and listen to the apples falling all around you in heaps, wasting their sweetness. Tell yourself you tasted as many as you could. I'll be setting under that apple tree with you for as long as you need me, for I will miss him too, I love you.

"When someone we love dies, it seems as if time stands still. And silence... a quiet sadness... often can be felt, not just heard, a longing for one more day... one more word... one more touch... And we may not understand why God chose to have him leave this earth so soon, or why he had to leave before we were ready to say goodbye, but little by little, we will begin to remember not just that he died, but that he lived. And that his life gave us memories too beautiful to forget. We will see him again someday, in a heavenly place where there is no parting. A place where there are no words that mean goodbye." I will never forget him and his accent when he said "Hi Baby" (always in a funny way)..We love you Fay and let us know if we can do anything for you. Don't forget us..Love, Terri and John

Uncle Jerry was a great man and best friend to my beloved Father, who was his best buddy...in this respect, I loved Jerry as a father. What I will remember most of Jerry was his clear, blue eyes and warm smile. And Dr.Pepper! Sending all my love to his soulmate, Fay and his children. I'm going to miss you buddy boy, but I know you and my Pops will be watching over us! Now it's my turn to take over the bumble bee truck in honor of both Jerry and m Pops!

Such sad news, Jerry was loved by everyone. He was the craziest man I have ever known. Jerry's friendship with my late husband John aka Ottman (as Jerry called him) was legendary! Hopefully he and John are playing cards right now... I will keep Jerry in my prayers.
