Dearest Elizabeth and family, We are so greatly saddened by your loss. We will always have Jodie in our memory, especially the time we spent with her at your and Chris' wedding. She was such a sweet, caring and loving person and you could tell how proud she was of you, seeing the two of you walk down the isle together. Although we only briefly knew her, we will miss her. We hope you and your family find the memories of your mother comforting in this time of sorrow. We love you so much, Olga & Wouter
