Dear Jackie, Rick and family: I don't know where to begin. Your mom was so special, and even though we didn't see each other as we did as kids, just reconnecting recently brought back all the great memories and great times of our youth! I will never forget how we used to tease her to say: Park the car, Billy Marcus, in her strong Mass accent! She was a great sport, wonderful, hard working, kind, caring person. We all will miss her! She is now in peace, holding hands with your dad, and visiting with her brothers and sisters and Gramma Clements. Maybe they will have a little snort of Gin together! I love you, and let's please stay in touch. Love, Kathy and Mark Suarez
