May God be with your family and somehow get them through this time of grieving. Thank you for being a true friend to me. I'm grateful for the time we got to spend just a few yrs ago, and when you came back to NJ for a short stay. I will always admire your outspoken ways, your kind heart and your company. I was blessed to have known you for all those years. May you rest in peace and be reunited with your husband and brothers. I'm missing you now and always will. Goodbye for now until we meet again.
