**Amanda Theis** lit a candle in honor of David.

Daisy, Oh, sweetheart! So many mornings, I walked past you at school--and your smile and warm, "Good Morning!" totally changed my mood. (I am so not a morning person!) I was not lucky enough to know your husband, but I can only imagine how that beautiful and warm smile of yours comforted him over the years. I know from experience that words may mean little right now, so I will just leave you with this. When a loved one passes, it can be hard to see through the blur of tears and pain. Let those who love you be your guide. Do not be afraid to cry, to scream, to just want quiet, or to need help--in any form. Let God, family, and friends hold you. You are loved, my dear! Please let me know if there is ever anything I can do--anything at all! Much Love Always, Amanda Theis
