Dear Lorenzo & Belinda, We are so sorry to hear about your dad, Quiciano Ray Perez and [with this fax] we wish to send you all a BIG virtual HUG and KISS! We know that there isn't anything we can say, right now that will bring you any peace or solace but WE do know that in time, you all will smile and laugh again. Treasure the moments you had with him and frequently, remember his love and laughter because as Helen Keller once said, "What we have once enjoyed, we can never lose. All that we love deeply becomes part of us." We love you and deeply wish we could be there with you. All of our love, Andrew, Ruthie, Andres, and Alejandro
