I remember growing up with all of our cousins together all ages. Everyone talking really loud. Fabulous food, we always had lots of food. I also remember Tio Joseito's food market, I used to love going to visit him there and I always got an ice cream (the things kids remember) I miss the way we were always so close, I don't know what happened? Why don't we talk anymore? I want to be close again. I miss you all so much. I love you, Idi (Idania)
