Great memories of a lot of laughter when Paul and I were able to come down for visits. Enjoying good Cuban food, Lowry Park...and remembering the time we went to Ybor City for an ethnic festival... A door swung open on a portapotty directly across the street from us. Let's just say a young couple was enjoying the day a bit more than we were...Bill and my husband, Paul, looked like 2 deer in headlights...Will try to connect through David, on Facebook, so we can re-connect...Love and our deepest sympathies to Annie and family !!!Nicky and Paul Genco
