Where do I start. Twenty five years as a friend has made for a story that if put into a Book would be hundred's of pages long. Bobby's heart will be what I remember the most about him as he provided help to a lot of friend's along the way, including myself. The Fishing Trips, The Christmas Boat Parades, Sitting by the pool at the edge of Tampa Bay furnished the opportunity to know Bobby as a true friend. This is what made Bobby "Bobby" and as such I can see Bobby in mind "Astonishing the Listening Angels" with so many tales. Bobby, you will be missed more than you could ever know, and remembered by all who knew you. God Bless your Family who we express our deepest sympathy. Larry, Sandra and Ashley

Bobby, you are gone, but your larger than life presence will remain forever in the hearts and memories of those who knew and loved you, and no one loved you more than your beautiful daughter, Heather, your little girl forever. She blessed your life with 3 handsome boys, Aaron, Andrew and Daniel, and no grandfather was prouder and felt more joy than Bobby; he doted on them! My condolences go out to his brothers, sisters, as well as to all of their families, all too numerous to name herein, but whose love for their beloved Bobby is felt in their grieving for him. Having known Bobby for many years and being the mom of his son-in-law, Mark, and one of the boys' grandmothers, I can attest to what a fine and decent man Bobby was, and I wish him a beautiful journey with his Savior, Jesus Christ.....with a loving heart, I bid you farewell, Bobby.
