We will remember the happy times we shared with Joe and Beth in Key West. His home was filled with so many interesting treasures and antiques. Orchids were a joy and grew profusely in his garden. So many costume parties with special themes were always a coveted invitation. RIP Our condolences to Beth and the family Sincerely Shirley and Frank Piku

We are so sorry to hear about Uncle Joe's passing. He was a wonderful man and always a pleasure to be around. No one could cook like him either. Anytime our family visited Florida he opened his home to us and made us feel special. We will miss him dearly. Mike & Noelle Frost and all of the Frost Family in Chicago

Mark and Susan, Valerie Storms told me about your dad this morning. I absolutely love this picture of him!! Even though he was still handsome in his 90's, this just gives me a amazing perspective of him as a younger man. I wanted to send my love to both of you and your family. Michelle(nurse at Moffitt)
