Strawberry margaritas, Hops restaurant bread rolls, any fest at Red Lobster, these were some of the things that you liked. Your parents, your brother and nephews, your daughters and grandchildren these were the things that you loved.

I want to thank everyone who has helped us during these very difficult times. I encourage you to share stories about Isabel in these pages. It would be nice to have a record and remembrance from those who knew her before we met, and how she affected your lives.

To Gus, Adriana, and Alisha, and Family...We want to express one more time, how much we will miss Isabel, our beautiful cousin. Isabel was an amazing person. Gus, you are an inspiration as to how you stood by your spouse no matter what was happening, no matter what opportunities you may have passed by, no matter how many people failed to appreciate your love and support for Isabel. Also, your daughters, Adriana, and Alisha are inspirations to us including my daughter as role models of staying by her parents' side, until the very end. Right up until her wedding, Adriana continued to cherish and consider her Mom and Alisha remains untouched in her love and perseverance to make Isabel proud. God bless and if you need anything, your other family is here. Love, Siuberto, Alina, and Celine Socarras

Gus, Alisha, Adriana, and Family, To one of the most amazing families I have ever known. Gus, you are an amazing husband and father and you truly inspire all who have been blessed to know you and your family. It is because of your unconditional love and support to Isabel that her journey through life was filled with love, joy, and peace knowing that you cared and loved her so very much and that you were there every step of the way. Alisha and Adriana - it humbles me to know that Isabel has such amazing daughters. Daughters, who cared together, loved together and shared a very special Mom together. We know that no words could heal the pain that you are going through but please know that you are loved and that we are here for you and praying for God's comfort. Our condolences to your family. George, Melisa, Georgie and Bethany, Monica and Ricky, and the grand kids.
