Mis condolencias para la familia Rivera. Yo no conosco Bruce Rivera ni a nadie relacionado con el. El proximo mes cumple un año desde que fallecio Bruce, un año sin la presencia de el. El tiempo amortigua el dolor pero no lo quita por completo, lo se por experiencia. Mientras que uno vive, quedara una espina en el corazon por la muerte de un ser querido. Aunque ya a pasado un tiempo, nuestro Dios no se a alejado de las personas que tienen la mas minima espina, el esta cerca de los corazon aplastado.

Work is not the same without you, Bruce. I remember when you first started at FleetPride, we all thought you were just some young, goofy kid. We were so wrong. I watched you grow. I watched you come to work every morning so you could provide for your family. I saw you put up with things that I never could have, just so you could keep your loved ones happy and healthy. I knew you were destined for bigger things and someone STOLE that from you. You've changed my life forever, Bruce. Rest in peace, you really did leave too soon :(
