Nancy one if dearest and oldest friends. I am so sorry for your lost. Your father will be missed he was such a fun loving man. I'll never forget all the times I stayed over at your house growing up and boy did we give your dad a run for his money but he always always was 10 steps ahead of us girls . I love you girl and loved your dad too. He will be missed and even though I'm 2,000 miles away I'm always here for you. Take care, he is in a better place and I know my Nano will keep him company up in heaven as they watch over us.
