**Jane Coronado** lit a candle in honor of Cris.

I worked with Cris for more than 12 years. She was a very special person and I truly enjoyed working with her. Whenever I needed assistance with anything computer related, no matter how many times I asked, she was always more than happy to assist. When I needed inspiration or an explanation spiritually, I knew I could go to Cris and she would always have an answer for me. We had many discussions and each time I walked away from her cubicle feeling much comfort and more knowledgeable. I am very grateful to her for this. Cris also gave me her GOOD NEWS BIBLE to help me better understand what I was reading. GOD SPEED Cris. I send my most heartfelt sympathy to Cris' family. I know that your heart aches right now. Keep your faith and trust in GOD and know that you will see her again just on the other side of the Pearly White Gates. Jane Coronado
