Dear Giuseppe, I always felt like part of your family. Thank you for all the times you remembered my birthday and the phone calls. I loved both you and Kathy, and my little brothers. I always felt you were my family and I belonged to yours. You will always be in my heart. So my good friend, I hope you keep dancing. So if we hear the sound of click, click, we'll know you are dancing. I love you Joe. Much love, Rosa Linares Ramey

Kenny My words cannot express my heart felt sympathy at the passing of your father, Joseph. You and your family are in my prayers as I write this card. May you receive some relief and joy in knowing his soul is eternally alive, at peace, and in the loving hands of God. I send these two Biblical quotes that I hold close to me. The Lord is close to the brokenhearted and saves those who are crushed in spirit. Psalm 34: 18 He heals the brokenhearted and binds up their wounds. Psalm 147 :3 Kenny may God's hand be with yours during this difficult time. -My love always, Michael Shrenk

Sorry for your loss, I had the pleasure of knowing joe later in his life. He was always cheery and asked how everyone was, he would show up with scrap a.c. Parts to cash in and talk about dancing, then giving me a twirl at the scale. So much energy.Wonderful person.Debrah Longo

Nano Joe, I will always cherish the memories I have with you. I love how you would speak to me in Italian and help me remember my days in Sicily. You're kindness, compassion and smile were contagious. Most of all, I will cherish the memory of the sparkle in your eye when you spoke about your wife and son Nino whom I'm sure are still embracing your presence in heaven.Thank you for allowing me into your life, your family and for always welcoming me & my family into your heart & home. Rest in paradise Nano and dance with the Angels.

I met this warm caring man when I was a small child through his son Nino who dated and later married my sister Dianna. He was always warm and caring and always welcomed me like part of the family each time I visited. I miss his son Nino with all my heart but find peace in knowing that they are together. My condolences to the family and may you find peace in knowing that he now walks with God and dances with your loving mother. Don't mourn but celebrate his wonderful life. I love you all
