My deepest condolences to the family.. May you have the strength and peace that you need through this most sad times..Felix was a loving soul.. We had many talks throughout the years, we met in 1989 when I became his neighbor, and soon we became instant family..he took on my step dad as another son and all relationships bloomed from there..you will all be in my continued thoughts and prayers. With love, Erica (Papo & Rachel's daughter)
