Eric Noriega lit a candle in honor of Ernest.

I grew up with Ernest's son Ernie in the 60s and 70s. I spent a lot of time at Ernest's home just down the block from my own in West Tampa. He was one of the kindest men I've ever known. I can hardly remember him without a smile on his face and a laugh on the way. He'll be missed by all who knew and loved him. My sincerest condolences to the family.

The time I spent with Ernie and Jerry Delgado in the year 1959 "Nebraska Ave Shop" was a learning experience. Ernie and Jerry Delgado took me under their wing after high school and taught me the "Art of auto upholstery" (along with their friend Robert) . Ernie also got me interested in buying and selling used cars. As a 19 year old I did not know it would set me on the road to a life occupation of sales . I am forever grateful for this honest and respectful person. I will never forget him. Joe (Tony) Myers (813) 831-3064 Tampa, FL

What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this Earth, or why you left before the ones closest were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave everyone memories too wonderful and in some cases to funny to forget. To my Family I hope that you find the comfort you need to get through this, I know all too well how painful this is, I love you all very much. To my Tio may you rest in peace...Love you
