I will always remember Denise as a strong person, mother, grandmother and friends to so many people. I love her laughter for fun especially with her family and during parties and holidays. She will be miss so much. Her grandchildren will have such great memories told to them by family and friends. She was so brave when facing the fight for her life. I am sorry I am not able to be today for her services. Always in loving memories-- Ada Luz

I cannot find the words to describe just how much I will miss her she was like a sister to me and there for every important event in my life. I know my parents also loved her like a daughter and it makes me smile when I think of Ralphie and how happy he will be to greet her in heaven. We we're blessed to have her in our lives and we'll cherish all the wonderful memories we have with her. With love to all of the family...Shari, Tone, Cailyn Paige and Bryceee
