Well John. I cant believe its a little over a year now. Hard for me not getting those texts from you saying hey whats up or you checking in on me. Im sure you know not a day goes by when you dont pop into my head. Believe it or not you have left a place in me that feels empty now. One day we will meet again and when we do we will go on that shark fishing trip together.

Still thinking of you. I don't know what to say to you. It's just surreal. Gone too soon. But everything happens for a reason, and one day we'll all find out what that reason is, one day. Rest easy, John John. You're forever at peace now, and I'm forever thankful that you aren't feeling any pain anymore. You had a grand 18 years on this Earth, and your friends and family will always be thankful for the time they shared with you. Rest in peace. "Till we meet again."

You left your family 70 years too early, John John, RIP. I didn't really get to know you that well, but I was looking forward to learning. My condolences to Britainy, Alli, Haley, Caity, Mary and many others. You'll be sorely missed.

I can't even begin to type without tears flowing down my cheeks. JJ was way to young to leave us. I can't begin to imagine the grief and heartache all his family is feeling. I pray God comforts them in their time of need and somehow makes them able to make it day by day...John John I'm so sorry for the pain you were fighting everyday...your smile lit up a room. I know you are in heaven now smiling down upon us with peace in your soul. RIP, until we meet again my friend. All Our Love, Paul & Michelle Rosenberg
