Gigi and Anna were an example on how being a true christian and lover of people looks like. I married Ron Harden in 1960 and had the honor of meeting them and becoming a family member to me. When we were married 50 years they took the time to call us and congratulate us on the accomplishment. When you visited them they were always sending you home with some kind of food, usually star fruit. My heart goes out to the family and pray for HIS comfort. He surely will be missed. Doris
