From so many miles away I finally get to see your face Antonio "as I knew you". Not the way I would have liked to see your face for the first time but at least I know after 6 years what you looked like. Such a beautiful angelic figure you were!! wish we could have met but all we were was friends in an on line words game which I loved playing with you. I knew there was something wrong when you didn't play for a few days. Then over a week. Then two weeks. I had a friend of mine from the US investigate what had happened to you. All I had was your Facebook page for Tony's Treasures. My heart sank when my friend got back to me and told me you were gone. I don't know why you're gone! You were so young! But you leave behind a beautiful memory for me and after viewing the video posted of your life, you leave behind so much family that has obviously adored and treasured you all their life! My sincere condolences to all of "Antonio's" family! I can tell he will be so so deeply missed by you all. Rest in peace my friend until we meet again! ✨
