I had the good fortune to serve with Dale at Portsmouth, Va, aboard USS Newport News and in G Battery 3rd Battalion 10th Marines at Camp LeJeune, N.C. from 1963 to 1966. We were discharged on the same day in 1966. A solid man, a real Marine and a great comrade. I am truly saddened to learn of his passing. Stuart Mills 340 Hurstbourne Rd. Rochester, NY 14609

Dale was a wonderful person who always seemed to look at the bright side of things, He was kind and someone who liked you for yourself with no other motives. He loved Mary and his family and worked hard for Delta. I used to call him "Dale Boyette Boy Wonder". To me, he will always be just that !!! john de lotto

Mary, Just wanted you to know I looked up to Dale and thought very highly of him. He was well respected by all the employees at Delta. I remember went I went to two weeks of ticketing school in Atlanta and returned to Tampa, they assigned Dale to help me for one day learning the ticket counter. He told me I will stand behind you and let you work the passengers. I will never forget how kind he was and I learned more that day working with Dale than I did the two weeks of training in Atlanta. Getting a job with Delta was a God-thing and I will always be thankful for the opportunity to have worked with the best airline in the industry. I will also be very thankful to have worked with such a kind person as Dale. When we had coffee breaks together he made me feel like I was really important and I also felt privileged to go on a break with a supervisor! You are very right. Dale will be dearly missed by everyone that he came in contact with, because of his pleasant disposition!!!Sincerely In Christ, Acts 16: 30-31 Kathy & Lew Rutkin

Dale was a fantastic man and a asset to Delta. He was a PSA and always there when needed. He had a calming voice especially when dealing with our customers. I will always cherish my memories of Dale and the years we worked together in TPA.

I will always remember Dale for his quick wit and great sense of humor. He was my "Gator Buddy", always ready to talk about the Florida Gators. He made our time at Delta fun and our work day more enjoyable. Dale Boyette will always be more than a name in my past. He will always be a fond memory. Our heart goes out to Mary who was the love of his life.

Remembering the trips to England and then Scotland, Dale and his son Les would visit Nikki and myself where we immigrated. Best memories were as Dale's team mate on the Delta softball team, Dale left everything on the field, a strong competitor with an attitude to give it his all. I will miss my long time friend, knowing he and Mary was a phone call away if help was needed.
