Girley Johanna Gutierrez

On Tuesday, February 13, 2018, our beloved daughter, Girley Johanna Gutierrez, went home to be with Jesus. She was a beautiful young lady who will be greatly missed by her family and friends. She had a deep love and passion for orphans and the forgotten.

I met Girley two years ago when she volunteered alongside me at the Compassion International booth during conference. I would accidentally mispronounce her name and every time she'd very graciously correct me. The next year she volunteered with me again and we spent a lot of time together running the booth and talking. I so enjoyed our talks I'm the car riding over to conference. I chose this picture because it's such a great depiction. We were praying over the packets before everyone came in for conference. Girley is in there, tucked around a couple of people, but she's there. She wasn't concerned with being noticed or taking glory for herself. She simply served passionately for the glory of her Jesus. Her presence alone could light up a room. Not just because of her spunky goofy personality, but because she was a light to the world. I know she is in the arms of the Father right now. I know she will hear "Well done, good and faithful servant." While her absence is so bittersweet, I'm joyful for her to be in the presence of our Lord, completely made whole. I will be praying for her family and friends who mourn for her now. I can't wait to sit down and catch up in heaven Girley, but until then I will follow your example. I will serve with everything I have and seek the lost. Love you girl. ❤️

Girley was one of my first friends at college and she was so welcoming and full of smiles. She always could pull off outfits that no one else could and I would always tell her that when I saw her on campus. Her laugh was one of my favorite things about her, my other was her smiles. Her hugs were great as well. I will miss you SO much Girley! You were a bright light in this dark world. I know though that you are in a better place now. You are where we all want to be after this world is over. I love you and miss you!

I remember her as being so good to me. She's a kind heart and I will always and forever be changed by her friendship. "Who can say if I've been changed for the better, but because I knew you, I have been changed for good." - Wicked

Praying for your family. My daughter Adrianna was her roommate at SEU. The times we chatted during the year was a treat: Adrianna always spoke wonderful things about her. I know she loved Jesús, and the hope of heaven helps ease this heavy burden. God bless your family...my deepest condolences.
