To my beautiful Grandmother, You were truly one of a kind, from your selfless ways to your amazing smile, no one will ever come close to the person you were. You always put your family first, strived to be the most amazing friend and never failed to tell us what was on your mind. I will forever remember all the times you took me for the weekends to go shopping and all the dinners you insisted on cooking for me at your house. From dancing around your kitchen as a little girl listening to the same Selena songs over and over again on your old-school cassette player to you yelling at all your grandkids about tattoos and crazy beards, not a day will pass that a part of you won't be remembered. Although it is so hard to know that you have left us, I know you are at peace. Fly high my beautiful angel and kiss my dad for me. I love you forever and always. -Amanda
