Rest in Peace Nick. We are so thankful that you were a part of our lives. We will miss you "witty" personality and your infectious laughter. You left us with so many wonderful memories and we often find ourselves laughing as we remember the good times we shared and even though we laugh we also have a tear in our eye as we miss your zest for life. Your lifelong friends.

Through many years of special occasions to visit Nick & his family; We had a great chance to visualize the Love he had for his whole Family--Family was his passion and his number one reason for any occasion; T.C. was always mentioned in many of our conversations too. Our hearts are hurting, and he will be missed immensely! Nick was always so nice; he always had a smile on his face when he would greet someone. Nick will NEVER be forgotten! Coach DiMaggio made an immediate, direct and positive impact on my life and many others who attended Tampa Catholic High School (TC) during his decades of service and commitment to TC. Throughout the years, I would often see and chat with him at TC sporting events and at one of our favorite restaurants, Pach's. I will never forget our first meeting when I was a freshman at TC. He gathered all freshmen boys in the multi-purpose room and said, "You all will get an F in PE if you do not join the track team at TC". We were stunned... Needless to say, we all joined the track team and we won many competitions. He was a tactical coach who hated losing. He was the biggest supporter of youth sports at TC of all time. He will be most remembered, to me, as the greatest, most loyal Crusader ever. J. Ransom
