So many memories from school. Met him in 7th grade. Such a funny guy and full of life. He was such a good friend to us all. I haven't seen him since Highschool but the memories come flooding back at the mention of his name. So heartbroken for his family and friends. He Loved everyone in his path. Praying for peace and comfort over his friends and family.

I'm still in shock. Condolences to Corvin's family. Corvin had a soul you can't ever forget. His presence was large and unforgettable. We have lost a source of perpetual sunshine. Peace my brother. Rest in Peace. You are missed.

I'm alot like James, met Corvin in 7th grade. He had a magnetic personality and you could see or hear him laughing and you would laugh too, so that was kind of contagious with him. I have too many memories to talk about because we were all a close group growing up and at each others houses. Breaks my heart he's gone and I definitely send prayers to the children and family.

So many memories I had with this guy it is hard to pick just one. We met in 7th grade and we became instant friends. All through middle school and through high school, everyone knew Corvin and just wanted to be around the funniest and smartest person in the room. Life took us in different directions after graduation, but to my surprise and delight, when my family moved to Tampa, it became a reunion for Corvin and I. We picked up where we left off. I am a better person, husband, and father just for Corvin being in my life. Forever my brother. Rest Easy, Corvin.
