Uncle Sammy will be missed! I regret not being able to make his sister Mary's spaghetti sauce. He was so happy that I was finally going to do it. Now I only have regrets that didn't do it sooner. I was waiting for Fathers Day weekend. As a kid every weekend we were together and enjoyed being with my cousins all the time. He had a championship Palomino that was absolutely gorgeous. My cousin Cheryl and I were forced to take riding lessons which made him so happy. He was funny and awesome to be around even though he loved picking on me. We're talking for 64 years! Uncle Sammy we love you and will always miss you 🌹❤️😭
