A very Dear Neighbor and Sweet Lady who will be missed. She puppy-sat my baby Dachshund "Shelby" until I could surprise my spouse as a birthday gift. I had Shelby for 14 yrs and Mary was always happy to see her. Maybe she will sit with Shelby until I see her again.

Mimi had such a beautiful smile. I remember how much she enjoyed coming to watch Hailey dance and how her face just lit up when the cloggers performed. Gone but not forgotten. Thinking of all the Barron family at this sad time. Mimi is clogging away in heaven. John and Kaye Sass

While growing up just two houses away from the Barron family I was blessed for Miss Mary Jane to be like a second mother to me. She was always a fantastic mother and friend to all who ever knew her. Mrs Barron was always a true southern lady ,just five minutes in her presence and you knew what a truly remarkable person that she was. She loved her children and family with no end to the depth of her love.and all were blessed to be around her will forever have a loss in their hearts.Fran and I send out love and devotion to all .Steve and Fran Phillips

Many wonderful memories of Mary and her back garden -- not a back yard, but a lovely enchanted garden. If the weather was nice, you would drive up and there she'd be with pruning snips in hand. Her flair for peppering around statuettes, gnomes, dangly art pieces, bottle trees and her signature favorites of suns, moons and stars, is very captivating to the eye. Fragrant and full of blossoms - what a sight! Sending a great big hug to all my Barron in-laws and will see you very soon. Love you all --Gerry Lynn
